

THE PREMIER GOLF TOURNAMENT OF NORTHEAST SHELBY COUNTY

With annual attendance of 150, which included prominent business leaders, the BACC annual Golf Tournament has already established itself as one of the area's premier networking and business development events.

In 2012, this event will increase its reach and scope by revamping its focus as the **VISION 2020 ECONOMIC DEVELOPMENT Golf Tournament**. The primary function of this tournament will be to support the economic development efforts of the Bartlett Area Chamber of Commerce with a particular emphasis on Life Science related initiatives. The tournament—played at prestigious **Colonial Country Club**, will support job creation, capital investment, legislative efforts and education—all geared toward the growth and prosperity of this community.

Your support of this event is an investment in your business, an investment in your community and an investment in your future! Secure your sponsorship TODAY.
