BARTLETT ASSOCIATION OF RETAILERS

The Bartlett Chamber is proud of our local businesses and we believe Bartlett citizens share this feeling. That's why we're encouraging folks in the Bartlett community to support our local businesses throughout the year.

When you buy local you're not only helping to maintain a strong retail environment, you're also investing back into the community through wages and taxes. Supporting local businesses ensures a healthy and vibrant economy.

To show our appreciation for our local businesses, the Bartlett Chamber will be awarding \$250 quarterly* to an individual who has shown their community support.

At the end of each quarter in 2024 (March 29, June 28, September 30 and Dec 20 a person's name will be drawn from a fishbowl.) To get your name in the bowl, all you need to do is send us a receipt of a purchase(s) that you have made from one of the Bartlett Chamber's small businesses. For each \$25 purchase the participant will get one name in the bowl. So, if you had a purchase of \$100, pre-tax, you get your name in the bowl four times.
